

Hello,

My hope is that your new year has started off well. Happy Feet is starting off really fast as our first trip will be February 14-21 to Honduras. I'm blessed to have my youngest daughter (Abbey) going with the team. I have been taking this group from Parkway Christian Academy to Honduras for about 4 years now. We will be working with the Lenca Indians in the mountains each day doing Happy Feet and in the evening we will be carrying food to some of the poorest areas I have ever seen. This also provides a great opportunity to share the Gospel as well.

Soon after the trip, my wife and I will be traveling to California to get a team out there ready for their trip in September. On March 14, I will be taking a team from Houston (West University Baptist) to Guatemala to work in the remote mountains there serving the Mayan Indians and my wife (Mary) will be on this trip. So, as you can see the ministry is busy with logistical planning and preparation for this spring and summer.

We are continuing to stay busy with the mobile kitchen selling the smoked Butts and ribs on the weekends and preaching most Sundays. This coming Sunday, I will be at a small church (Pleasant Valley Baptist) in the Bessemer Alabama area. This church is one of the first that started supporting Happy Feet on a monthly basis.

One last thing I wanted to let everyone know is that Happy Feet Int. has become involved with an organization called "Partners for a Cause". Joining Partners For A Cause allows you to help your favorite charity and gives you access to an entire year of rewards from some of your favorite local and national restaurants, retailers and service providers! The yearly membership is \$25 and 75% of the membership you are charged is a donation to the organization of your choice. Happy Feet registered just yesterday so if you decide to become a member, Happy Feet will receive a donation of \$18.50 and you will have to opportunity to take advantage of some great offerings. Take a look at the web-site and see what you think. www.partnersforacause.com

God bless you all and as I always say,
"Tell someone about Him today".
